For year 2007/2008

Thank you for inquiring with CF Dominicana Cigars for your Special Event! Make sure to inquire with us as soon as you have your event date. We cater events anywhere in the United States.

CF Dominicana and our "Cigar Catering®" options have created a huge following throughout the US and we promise to make your Special Day a memorable success.

We also want to invite you to visit our main site; [www.CFcigars.com](http://www.CFcigars.com) for complete info on CF Dominicana Cigars and the company. We accept Visa, Mastercard, American Express, very Discover, Business and Personal Checks.

Cigar Catering® offers any or all of the following and starts at \$975;

**Cigar Roller** - A master roller will show how cigars are rolled while your guests look on. The demonstration truly adds an upscale flair to your party and your guests will be very impressed. Our package includes 2 hours of rolling showing how CF Dominicana "SoHo" cigars are created. Also, Beautiful Full Color Custom Cigar Bands designed by our graphics artists will be wrapped around each cigar. Although we can arrange events on short notice, we encourage our clients to reserve a cigar roller for your specific date up to six months prior to the event - especially for weekend events in Spring/Summer.

**Custom Designed Cigar Bands** - There exists no other cigar company that provides four color digital artwork on their cigar bands - monograms work best for weddings. You can right now have an artist design your sample Cigar Band to view online free of charge, simply send in your request. (Requests can be submitted from our "Custom Bands" page at [www.CFcigars.com](http://www.CFcigars.com) or from [www.CigarCatering.com](http://www.CigarCatering.com)) You can also see samples of what we can design for you on both of our web sites. Custom Designed Bands are rolled on each cigar you purchase, regardless of how many cigars you buy. The bands are always a big hit and add a very creative flair.

**Cigars** - CF Dominicana uses Select, Dominican Ligero Long Filler tightly constructed and wrapped in Connecticut Shade Leaf with options for Maduro and Sumatra Leaf as well. "CF" cigars generally retail between \$6 and \$10 each however, for your event, the cigars are discounted to \$4.80 to \$8 depending on size. \*You can sample our cigars by purchasing a "4 Pack" from our websites and we will credit your purchase when you book your event, just save your order number.

**Cigar Servers** - We can also supply you with Cigar Waitresses or Waiters who will "float" the room in modest evening attire to serve your guest's cigars. A Cigar Server will also cut the cigars on your guest's request and help them in choosing a cigar. A Server is \$275 extra, they are not tipped and will roam the event location for up to 2 hours, extended hours can also be requested (cigar servers are not available in all cities at all times). Once again, please inquire early as the availability of our cigar rollers and staff can change daily.

Feel free to reply to contact us by e-mail or phone with any individual needs you may have. We look forward to hearing from you. Enjoy.
